PLUNKETT RAYSICH ARCHITECTS, LLP, (PRA) CELEBRATES MERITER CHILDREN'S CENTER OPEN HOUSE

MADISON, WI - Plunkett Raysich Architects, LLP, one of Wisconsin's leading architecture and interior design firms, joins Meriter Health Services today in celebrating the open house of the new Meriter Children's Center in Madison, Wis.

"The project team from Meriter Hospital, J.H. Findorff & Son and PRA all worked toward one goal: make a great environment for kids to play and learn."

- Kirk J. Keller, AIA, NCARB
Project Manager, Plunkett Raysich Architects, LLP

The two-story, 12,000 sq. ft. childcare center was designed to blend in with the surrounding residential neighborhood and features a wood frame structure, large porch, white trim and steeped roof. Its location allows cross functionality with nearby Meriter Hospital, providing parents the opportunity to drop off their children at the center via the existing campus' parking lot.

The community open house begins at 5:00 p.m., with an official ribbon-cutting ceremony at 4:45 p.m. Light refreshments will be served. Enrollment is available to both Meriter employees and the general public. For more information on Meriter Health Services, please visit www.meriter.com.
